Will support the beliefs, goals and vision of the Continuing Education Committee.

**Will be an active participant in committee activities by
attending meetings
performing peer review activities as needed
being a mentor to a new peer reviewer when qualified to do so as determined
by the NPRL
communicating with applicants or other members of the health care
community when appropriate.**

**Will function as a peer reviewer when determined to be an RN with at least a
baccalaureate in nursing and with the knowledge and experience to do so as
determined by the NPRL.**

**Will be involved in sub-committee activities e.g.
provider forum planning committee
evaluation/outcomes committee
policies and procedures committee.**

**Will work in concert with the NPRL to insure that all ANCC Operational
Requirements are consistently followed.**

Will be actively involved in the evaluation/outcome process.
